

Chinese Hospital/UCSF/FCMS Conference and Gala 2026

Sponsorship Opportunities

November 7-8, 2026 San Francisco, California

Dear Sponsor:

We invite you to sponsor our 23rd Biennial Scientific Conference and the 32nd Anniversary of FCMS. Founded in 1981 by the Medical Staff of Chinese Hospital in San Francisco, the Federation of Chinese American and Chinese Canadian Medical Societies (FCMS) has about 3,300 physician members, serving patients across the United States and Canada.

In partnership with Chinese Hospital and UCSF, the conference this year will be held in San Francisco at the **UCSF Mission Bay Conference Center on November 7-8, 2026**. The topic of focus is new technological advances in medicine and how AI is augmenting our clinical practices. And like previous years, we will have speakers to address public health, the latest in cancer treatment, and mental health. The Gala will recognize and honor the achievements of those improving healthcare through groundbreaking innovation and leadership. This year's gala will be held at the **Asian Art Museum on November 7, 2026**. The Conference and Gala will maximize attendee and sponsor engagement and interaction as well as network and socialize in person and virtually at the Conference and Gala.

Sponsoring the Conference and Gala will allow you to connect with key leaders in healthcare, health plans, and public sector entities, and also showcase your organization's innovations. In appreciation of your generosity, we would like to offer you the opportunity to promote your organization with our conference and gala attendees. We anticipate 200-250 physicians, medical students, residents, and fellows to attend the conference and gala.

We hope your organization will join us in supporting medical education to physicians and future physicians. If you are interested, please submit the below form to sponsor@fcms2026.org. Please do not hesitate to reach out with any questions. We look forward to partnering with your organization.

Sincerely,

Gordon Fung, MD
Steering Committee Co-chair

Cynthia Lin, MD
Steering Committee Co-chair
